

BERNSTEIN PROPERTY MANAGEMENT

APARTMENT VISIT + PHONE INQUIRY

INSTRUCTIONS

QUESTIONNAIRE

You will call the assigned apartment complex to express interest in renting a unit and schedule an appointment for your assigned shop date. You will visit the property on your scheduled date and time to take a tour, and evaluate the location appearance and the leasing associate's knowledge. You will monitor for follow-up for 24 hours after.

Before You Begin

- Review your shop confirmation
- Prepare a scenario about your rental needs
- Call property within 24 hours of being assigned to schedule appointment (details below)
- Review photo & receipt requirements

Don't Forget!

- Arrive on time for appointment & bring your ID
- Get names of phone & leasing associates
- Fill out survey progressively (make updates after call, after visit, after follow-up)
- Present a valid scenario & take required photos

Keep Your Survey Updated – your shop will be subject to cancellation if you do not follow these requirements.

- You must fill out your survey progressively—immediately after you complete each step (phone call, visit, follow-up)—so that your scheduler can track your shop progress.
- Call the property to schedule your appointment within 24 hours of being assigned to this shop (not including weekends and at least one day in advance of your shop date), i.e., either call the same day you are assigned or the morning of the next business day.
- **You must answer all the questions about your phone call experience AND write detailed narrative within 24 hours of being assigned to this shop (not including weekends), or your shop will be subject to cancellation!**
- Immediately after completing the visit/tour portion of the shop, fill out the visit portion of your survey. This includes answering all questions, uploading all photos, and writing detailed narrative.
- Immediately after the 24-hour follow-up period has passed, finish and submit your survey.

How to Save Your Survey Responses

- Click the orange “NEXT” button to navigate to the next page.
- You will need to answer all questions on a page (even if they are in a different category) in order to proceed to the next page.
- Clicking the orange “NEXT” button is what triggers your responses on that page to save! If you must enter fake data for some questions in order to proceed to the next page, remember to update those responses later when you log back in to update the next category in your survey.

NEXT

General Requirements

- **Submission Deadline: 12:00 PM EST two days following your scheduled shop date** (e.g., if scheduled shop date is 1/1/2020, submit your completed survey by 12:00 PM EST on 1/3/2020). This will allow you the 24-hour time period to monitor for follow-up. The deadline is noted in eastern standard time. If your completed survey is not submitted to shopperhub.cxgroup.com by the deadline, it will be automatically cancelled.
- Read all instructions and the entire questionnaire before you complete the shop.
- Answer all questions and provide detailed supporting narrative to explain your responses. Be sure to detail what was said on the phone call and during the visit.
- Get a business card, brochure, pricing sheet, etc. to upload with your report (this is your “receipt”).
- Take a selfie photo for shop validation (this is part of your “receipt”).
- Do not reveal your identity as a mystery shopper to anyone at any time.
- Do not say or do anything to limit the opportunity for the associate(s) to perform the behaviors the survey is designed to evaluate.
- Fill out the phone and visit portions of your survey when you complete those steps, so that your scheduler can confirm your shop is in progress. Wait 24 hours after your visit to evaluate follow-up, then submit your completed survey by the deadline.
- If a Quality Assurance Editor contacts you for additional information or clarification about your experience, respond promptly.
- Retain all documentation for six months following your shop.
- You or your immediate family members cannot currently nor have ever worked for or lived at any Bernstein property.
- Children are not allowed to accompany you on this shop.
- You must have a valid ID (driver's license) and bring it with you when you visit the property. You will not be given a tour without valid ID. Make sure the information you provide to the associate on the phone matches your ID.
- Failure to follow the specifications for this project as outlined in this document may result in shop cancellation and non-payment.

****This is a TARGETED mystery shop. The scenario in your shop confirmation email includes the name of a specific associate. You MUST ask to schedule your appointment/tour with this associate, or your shop will not be valid.****

Shop Instructions

Logging Your Call Attempts

For this shop assignment, you must log all your call attempts through our IVR system. Below are instructions to call and log your attempts. Our Quality Assurance team will validate that you called the correct location and the time(s) of your call(s).

Make sure to have your assignment number, location phone number and information, a pen/paper to note your confirmation code, and the IVR phone number listed below.

- Call into CX Group's IVR phone system at **866-265-6212** (toll free).
- Once you dial into the IVR system, you will be prompted to enter your assignment number. This can be found on your shop confirmation. Only enter the first series of numbers. For example, if your assignment number is **6448023-3658147**, you would enter **6448023**.
- After entering your assignment number, the system will ask you to dial the phone number you would like to call. Dial the call center phone number found in your shop confirmation (in the Notes & Scenario sections) and follow the prompts. Do not dial a "1" before the area code once in the IVR system.
- **If you receive a recording/voicemail, the call is disconnected, or you get a busy signal, hang up and call back later the same day (all call attempts must be recorded through the IVR).**
- If you get an error message from the IVR when calling the 866 phone number, try calling 617-284-5807 instead (this is an alternate phone number for the IVR).
- You will get an IVR confirmation number during your call. Write down the number and enter it in your report. You will NOT be able to submit your survey without this number.
- **There may be brief pauses between each step of the IVR, do not hang up unless you encounter one of the situations noted above.**

Step #1: Call the apartment complex and schedule an appointment to take a tour.

- Call ASAP after being assigned to this shop. You must call within 24 hours of being assigned to the shop, at least 1 day in advance of your shop date, and NOT on a weekend. The phone call portion of your shop must be completed (with that section of the survey filled out), within 24 hours of being assigned to this shop (not including weekends), so that your scheduler can track that your shop is in progress.
- You must call on a business day (M-F) during business hours.
 - Business hours are 9am-5pm local time, but you must look up the property's hours online before calling to ensure your call attempts are made when they are indicated to be open and staffed.
- If you are unable to call at least 1 day in advance of your shop date (M-F) during business hours (9am-5pm), contact your scheduler to reschedule this shop. If you discover the leasing office is not open on your call date, also contact your scheduler to reschedule. You must call when the property is indicated to be open and staffed.
- Make up to 3 attempts to reach a leasing associate.
 - Calls must be at least 15 minutes apart and within the assigned property's business hours.
 - Do not leave a voicemail on your first or second attempt.
 - If you do not reach someone on your third call attempt, then leave a voicemail. You must answer the phone if you get a call-back, then update your survey to reflect the conversation you had and the appointment that was scheduled. A call-back only counts as a call attempt if you are able to answer the phone. If you do not get a call-back, reach out to your scheduler on next step.
 - i. Provide detailed narrative in your survey to explain what occurred on each call attempt (phone kept ringing, reached a voicemail, disconnected number, etc.).

○ DO NOT ATTEMPT TO GO AS A WALK-IN, you MUST have a scheduled appointment for a tour.

- DO NOT immediately say that you want to schedule an appointment for a tour.
 - You will present a scenario first and wait to see if the associate offers you to make an appointment. If the associate does not offer to schedule an appointment by the END of the call, THEN ASK if you can schedule an appointment to come in for a tour.
- **Review the Scenario in your shop confirmation email. You are assigned a targeted associate. Their name is indicated in your scenario, and you must schedule your tour with that person.**
- During the phone call and the on-site visit, provide your real name and contact information if asked for it.
- Obtain the name of the leasing associate. If it is not provided during the call or you didn't understand it, ask for their name at the end of the call.
- During the phone call (and throughout your on-site visit), pose a scenario about why you are considering renting from this complex. For example:
 - Your current lease is almost over, and you are looking for new apartment.
 - Your spouse has been transferred to a location near the apartment complex.
 - You started a new job and want to move to closer work.
 - DO NOT present the scenario that you are selling your home.
 - DO NOT present a scenario that makes it seem like you are not immediately in the market for an apartment (e.g., do not say that your lease is up in 6 months and you are just looking around).
 - DO NOT say that you are looking on behalf of someone else; your scenario MUST be for yourself.
 - DO allow for flexibility in move-in date or apartment size; you will want to see anything that is open or will soon be available. If nothing will be available in the next month or two, DO say that you would like to see anything that is open to see what the community is like, and then ask when something will be open.
 - If asked if you have a pet, say you DO NOT have a pet.
- Evaluate what questions the associate asks to determine your needs.
- Evaluate if the associate describes the features/benefits of the property, amenities, and surrounding area without being prompted (apartment features, quality construction, outstanding neighborhood, etc.).
- Note how the associate presents information (friendly, professional, comfortable, etc.).
- Wait to see if the associate offers to schedule an appointment for a tour. If no, ask at the end of the call.
 - Even if the associate indicates there is no availability at the complex, you MUST STILL visit the complex on your assigned shop date and evaluate what you are shown and told about. You can say you'd still like to see what the location is like in case something opens up in the future.
- Evaluate if the associate offers directions or confirms you know where the property is located.
- If, when placing your phone call, you discover that the leasing office is not open on the day you are assigned, schedule a tour for the next future available date when the complex is open. After your call, immediately contact your scheduler to reschedule your shop.
- If the leasing associate contacts you back to indicate your appointment needs to be rescheduled, continue to

reschedule for the next future date and time when a leasing associate will be available. After your call, immediately contact your scheduler with the details to reschedule your shop.

Step #2: Visit the apartment complex and take a tour of the property.

- Visit the complex on your assigned shop date for your tour appointment.
 - If you have a scheduled appointment, arrive on time (not more than 5 minutes early and not late).
 - If you are going as a walk-in, ensure you arrive when the location is indicated to be open and staffed.
 - Check the location's business hours online ahead of time. This is especially important if you are scheduled for a Saturday shop date and going as a walk-in! Not all properties are open on the weekends. If the property is not indicated to be open on your assigned shop date, contact your scheduler immediately to reschedule your shop.
- If an associate is not there upon arrival, wait at least 20 minutes for someone to return.
 - If no one returns after 20 minutes, call the location and let them know you are waiting and would like to look at the facility and available units. Take a screenshot of your call log (showing the phone number you called, date, and time).
 - Wait 5 minutes after the phone call is made. If no one returns your call or shows up within 5 minutes, you may leave the property. Explain the details in your survey, including how long you waited. You will continue to allow the full 24 hours for any follow-up responses before submitting your survey.
- Remember to bring your ID and be prepared to show it. You will not be given a tour without it. Your name and contact information you provided on the phone must match your identification.
- Remember to use the same scenario during your visit that you used during your phone call.
- Evaluate the location appearance, including parking lot, walkways, landscaping, signage, lobby, front desk, etc.
- Evaluate how the associate leads the conversation (allow them the opportunity to lead), noting how they continue to determine your needs, what information is proactively provided, and what is said to promote the apartment community.
- Evaluate how the associate presents information (friendly, professional, comfortable, etc.).
- Note if the associate asks trial questions throughout the tour (e.g., "Will this work for you?" "Can you see yourself in this space?" etc.).
- Observe the maintenance and cleanliness of the apartment or model unit you tour.
- Express interest in touring any apartment that is available, even if it is not the same floorplan as the one you originally said you wanted.
- Ask an open-ended knowledge question during your visit that allows the associate to answer beyond yes or no, such as:
 - What shopping centers, grocery stores, or gyms are nearby?
 - What kid-friendly amenities does the complex offer?
 - What amenities are included?
 - What safety measures are in place if walking the complex late at night?

Step #3: Evaluate closing techniques.

- Note if the associate explains pricing details, rates, fees, and/or deposit requirements.

- Evaluate if the associate encourages you to fill out an application, but DO NOT actually complete the application.
- **Evaluate if the associate attempts to schedule another visit to the property.**
- **Evaluate if the associate offers one of the following:**
 - **Offers you to join the Future Resident Club (if your move-in date is in the future)**
 - **Offers to find a sister property that has available units that match your needs.**
- DO NOT put down a deposit.
- DO NOT schedule a follow-up visit.
- Provide an objection but without giving a timeline to show you are still interested, such as:
 - I am interested, but I am looking at a few other places.
 - I need to discuss this with my spouse first.
 - I want to think about it.
- Obtain the name of the leasing associate. If it is not provided or you didn't understand it, ask at the end of the tour/interaction. The name of the leasing associate is required for your shop to be valid.
 - **If you did not tour with your assigned targeted associate, provide a detailed explanation as to why not.**
- Request a business card, brochure, pricing sheet, etc. from the associate—you will need some kind of paper documentation to upload with your survey.
- When filling out your survey, provide detailed narrative to explain what occurred during your visit.

Step #4: Evaluate follow-up communication received.

- DO progressively fill out your survey as you complete each step (i.e., phone call, visit, follow-up) but DO NOT submit your survey immediately following your visit/tour completion. You will need to wait the full 24 hours, to evaluate any follow-up received during this timeframe. (Remember, if your phone number and/or email are requested by the associate on the phone or on-site visit, you must provide valid contact information.)
- You will monitor for phone call, text, or email received within 24 hours after your visit.
 - Respond to follow-up by indicating you found another place and/or are no longer interested, and asked to be removed from their call list.
- Do NOT proactively reach out to the property after your visit. To accurately evaluate follow-up received, you must wait to see if the property contacts you first within the 24-hour timeframe. You can respond to follow-up, but should not initiate contact.
- Capture a screenshot of all follow-up received (email or text should show message received; phone can be a screenshot of the call log showing date and time of call).
- After 24 hours have passed since your visit, finish filling out your survey and submit it, even if no follow-up was received.
 - If no follow-up was received, check your junk/spam folders and voicemail to ensure you did not miss any communication. Note in your survey form that you checked these channels of communication.
- Evaluate your overall experience, including your likelihood to rent from this apartment complex if you were in the market and your likelihood to recommend. Do not score down for factors outside the staff's control.
